Bee flexible

Hybrid co-working spaces

If you're looking for the right hybrid work balance, simply want somewhere to meet with clients, or just want to plug into a premium professional environment, make a bee line for Bee House. Whatever you need, we've got a range of flexible tariffs to suit, starting from just £70 pcm.

Bee better

Serviced offices

Join the growing Bee House business community, who want the convenience of a smart enabled serviced office environment, with the reassurance of flexible licence agreements. Complete with super-fast broadband, the tempting Hive Cafe and on-site EV charging facilities.

Bee spectacular

Event and meeting room hire

Host that product launch, invite guest speakers to energise your team, or land those new clients in style. From meeting rooms to event and conferencing space, you've got all the bells and whistles you need to keep your business buzzing.

Bee social

Meet, relax, recharge

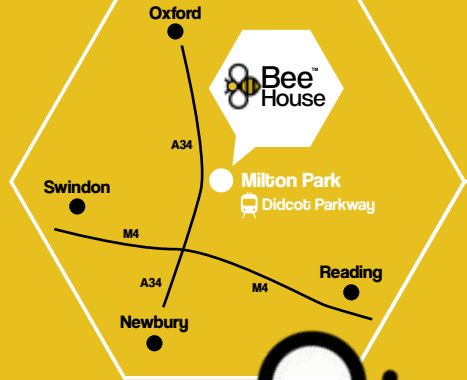

The Hive Cafe attracts Milton Park occupiers alongside fellow Bee House workers, serving up fresh coffee, delicious cakes, hot food and baguettes. EV points also make it the perfect place to recharge and relax.

Bee here now

The Bee House is the new way of working; flexible, fit for the future and bursting with like-minded “Bee2Bee” organisations just like yours.

Why not come and visit, and see for yourself? Our in-house team will happily give you all the relevant information you require, including a tour of your workspace options and on-site facilities. We look forward to welcoming you to the Bee House. **The home of buzzy brilliance.**
